# Sourcing & Serving the Best of the Northwest

*Look inside for a collection of our kitchen's most popular Northwest-based menu items — offering inspiration for every time of day and type of event. Consider this a point of departure as we develop a fresh, exciting menu that is uniquely yours. Many of our clients look to us to create custom menus tailored to their ideas and tastes. Let us tell you what sets us apart.*

## Local, Seasonal Ingredients

Our chefs regularly exceed expectations by creating unique, regional dishes with the freshest ingredients provided by local farmers. At the heart of our healthy, regional menu you'll find in-season fruits and vegetables that come straight from Northwest growers, such as our succulent tomatoes or the versatile and indispensable Washington potato. We buy more than 20,000 pounds of potatoes a year!

You can enjoy breads and pastries baked fresh daily in our own bakery, using flour obtained from no-till farms in eastern Washington. Our beef comes from grain-fed cattle, fish from sustainable sources, and chicken from free-range farms. Delightful Northwest cheeses abound in our recipes. And over 97% of the wines on our extensive list come from our state's outstanding wineries.

Our catering specialists will work with you to create a menu that meets the levels of sustainability you desire.

## A Commitment to Sustainability

We can't help it; we're from Seattle. We reduce, reuse, and recycle like our locals do. All kitchen food scraps and food-soiled paper are composted, and garbage, recycling, and composting stations are in place for the use of guests in each meeting room and throughout the public areas.

We also keep our materials green; the contents and packaging of our boxed lunches are 100% compostable. In addition, all our disposable food service items are compostable, including plates and cutlery made of sustainable materials, and wax-free coffee cups.

## A Drive to Impress Guests

We are passionate about working with our clients to make sure event attendees are delighted with our food and beverages — and we have the experience and resources to make this happen — whether it's boxed lunches for 20, an informal buffet for 200, or a banquet with French service for 2,000.

*The best of the Northwest is inside. Take a look.*

# Catering Information, Policies & Standards

## Exclusive Caterer

The Seattle Convention Center is committed to providing the highest quality food and beverage services for our guests. All food and beverage is to be arranged through our Catering Department. No outside food or beverages of any kind are allowed into the facility by clients, guests, or exhibitors without the prior written consent of the Food Services General Manager or the Director of Catering Sales.

## Food & Beverage Specifications

Our menu package features our most popular selections, highlighting items produced in-house with the freshest local ingredients. We believe our menu provides a large and flexible variety of options to meet your needs. In order to ensure the proper planning of your event, menu selections are due a minimum of 45 days in advance, along with your preliminary attendance estimates.

Events that require attention to complex or unusual arrangements may require additional planning time.

Your professional Catering Specialist also welcomes the opportunity to present a customized menu. During the special menu planning and pricing evaluation, consideration is given to the expected attendance. Should the guarantee fall significantly above or below the initial attendance estimate, the proposed menu and pricing may be subject to change.

## Confirmation of Orders

Your Catering Specialist will review your event specifications and will provide you with written confirmation of services via a Food and Beverage Event Plan.

A copy of this form should be signed and returned, along with a 100% advance deposit, 14 days prior to your first scheduled service.

## Guaranteed Attendance

Final guarantees are due in writing by 12:00pm (Pacific time) of the assigned day per the following schedule. Guarantees for multi-day events are based on the date of the first scheduled service occurring during the event. Final guarantee cannot exceed the capacity of the event space nor be reduced once the deadline expires. If the final guarantee increases or decreases by more than 25% from the initial estimated attendance, additional charges may apply. Every effort will be made to accommodate guarantee increases after they are submitted, subject to reasonable menu substitutions or additional cost. In the absence of a final guarantee, the initial attendance estimate will be used.

Estimated Attendance (per event)	Number of Business Days* in Advance
Up to 500 .....	3 days
501 to 2,500 .....	5 days
Over 2,500 .....	7 days
Over 4,000 .....	14 days

*\*excludes holidays and weekends*

## Dietary Considerations

With advance notice, our chefs are able to accommodate most special meal requests. Your Catering Specialist is available to consult with you on special dietary requests and pricing to serve vegetarian, vegan, kosher, halal, and other dietary restrictions. Such special requests are due 14 days in advance of your event. These special meal requests are to be included in your final guaranteed attendance.

## Overage

For plated meals, we are prepared to serve up to 5% above the guaranteed attendance (up to 40 meals). A portion of the 5% overage prepared can be vegetarian meals to accommodate on-site requests. Any meals, including vegetarian, served above the guarantee will be invoiced at menu pricing upon consumption. For buffet meals, the number of meals served above the guarantee will be calculated on a plate count or an alternate, mutually agreed upon method. Services provided above the guarantee may be subject to a 10% surcharge.

## Alcohol Services

SCC's catering contractor, as a licensee, is responsible for the administration of the sale and service of all alcoholic beverages in accordance with Washington State Liquor Control Board regulations.

In compliance with state law, SCC's catering contractor supplies all beer, wine, and liquor. No alcoholic beverages may be removed from SCC. Customers must comply with all applicable local and state liquor laws. All alcohol must be served by SCC's licensed catering personnel.

## Menu Prices

Menu prices and catering policies are subject to change without notice.

## Calorie & Nutrition Information

The calorie and nutrition information provided is for individual servings, not for the total number of servings on each tray. This is because serving styles used (e.g. trays/bowls) vary significantly in order to accommodate varying numbers of guests. Due to our desire and ability to provide custom solutions, we do not offer standard serving containers. If you have any questions, please contact your Catering Specialist directly.

## Administrative Charges, Taxes & Additional Charges

The Licensee shall pay to the Licenser an administrative charge in an amount of the prevailing rate, currently 20%, of all charges made by the Caterer as well as state and local retail sales taxes in the amount of the prevailing rate, currently 10.25%, of all charges made by the Caterer. The Licensee shall pay to the Licenser all other charges specified on the Catering Order(s) or otherwise ordered by the Licensee or its agent(s) and all other charges and sums required to be paid by the Licensee pursuant to the terms of this License Agreement. The administrative charge is not intended to be a tip, gratuity, or service charge for the benefit of the Caterer's employees. However, please note that 75% of the administrative charge is distributed to certain of the Caterer's employees as additional wages. If the Licensee is an entity claiming exemption from taxation, the Licensee must deliver to the Caterer satisfactory evidence of such exemption prior to the event(s) in order to be relieved of its obligation to pay state and local retail sales tax.

## Sales Minimums & Labor Fees

If payment is not received within the time specified, a late charge of 1.5% per month will be added to the balance. ## Cancellations

Cancellation of the catering for the event or any individual function must be sent in writing to your Catering Specialist.

Any cancellation received less than 30 days prior to the first scheduled function will result in a fee equal to 25% of the estimated food and beverage charges. Any cancellation received less than 14 days in advance of the first scheduled function will result in a fee equal to 50% of the estimated food and beverage charges.
