Sourcing & Serving the Best of the Northwest

Look inside for a collection of our kitchen's most popular Northwest-based menu items — offering inspiration for every time of day and type of event. Consider this a point of departure as we develop a fresh, exciting menu that is uniquely yours. Many of our clients look to us to create custom menus tailored to their ideas and tastes. Let us tell you what sets us apart.

Local, Seasonal Ingredients

Our chefs regularly exceed expectations by creating unique, regional dishes with the freshest ingredients provided by local farmers. At the heart of our healthy, regional menu you'll find in-season fruits and vegetables that come straight from Northwest growers, such as our succulent tomatoes or the versatile and indispensable Washington potato. We buy more than 20,000 pounds of potatoes a year!

You can enjoy breads and pastries baked fresh daily in our own bakery, using flour obtained from no-till farms in eastern Washington. Our beef comes from grain-fed cattle, fish from sustainable sources, and chicken from free-range farms. Delightful Northwest cheeses abound in our recipes. And over 97% of the wines on our extensive list come from our state's outstanding wineries.

Our catering specialists will work with you to create a menu that meets the levels of sustainability you desire.

A Commitment to Sustainability

We can't help it; we're from Seattle. We reduce, reuse, and recycle like our locals do. All kitchen food scraps and food-soiled paper are composted, and garbage, recycling, and composting stations are in place for the use of guests in each meeting room and throughout the public areas.

We also keep our materials green; the contents and packaging of our boxed lunches are 100% compostable. In addition, all our disposable food service items are compostable, including plates and cutlery made of sustainable materials, and wax-free coffee cups.

A Drive to Impress Guests

We are passionate about working with our clients to make sure event attendees are delighted with our food and beverages — and we have the experience and resources to make this happen — whether it's boxed lunches for 20, an informal buffet for 200, or a banquet with French service for 2,000.

The best of the Northwest is inside. Take a look.

WELCOME

Awards

The Seattle Convention Center makes a concerted effort to not only promote and use the finest local food and wine, but to produce exceptional events that spotlight our Northwest fare. We are pleased to share some of the local, national, and international catering-related awards we've received.

Washington Wine Commission:

Washington Wine Award Of Distinction

We love Washington wine, and it shows. SCC is a remarkable six-time recipient of this award that commends "dedication and commitment to the Washington wine industry." Winners received high scores in a number of areas, including wine lists, promotional activities that include Washington wines, wine service, and staff training.

Association Internationale Des Palais De Congrès:

AIPC Innovation Award

The *Innovation Award* from AIPC, the foremost international association of convention and exhibition centers, recognizes many types of cutting-edge innovation in the events industry. Presented in Graz, Austria, the distinction, awarded to only one winner per year from an international pool of entrants, acknowledged SCC's "extensive use of local food and beverage products" and our unique catering program that combines service, marketing, and community relations.

National Association for Catering and Events (NACE):

Best On-Premise Catered Event of the Year

SCC was the first convention center to win this prestigious industry award from NACE, the oldest and largest catering association in the world.

Catering Information, Policies & Standards

INFORMATION

Exclusive Caterer

The Seattle Convention Center is committed to providing the highest quality food and beverage services for our guests. All food and beverage is to be arranged through our Catering Department. No outside food or beverages of any kind are allowed into the facility by clients, guests, or exhibitors without the prior written consent of the Food Services General Manager or the Director of Catering Sales.

Food & Beverage Specifications

Our menu package features our most popular selections, highlighting items produced in-house with the freshest local ingredients. We believe our menu provides a large and flexible variety of options to meet your needs. In order to ensure the proper planning of your event, menu selections are due a minimum of 45 days in advance, along with your preliminary attendance estimates.

Events that require attention to complex or unusual arrangements may require additional planning time.

Your professional Catering Specialist also welcomes the opportunity to present a customized menu. During the special menu planning and pricing evaluation, consideration is given to the expected attendance. Should the guarantee fall significantly above or below the initial attendance estimate, the proposed menu and pricing may be subject to change.

Confirmation of Orders

Your Catering Specialist will review your event specifications and will provide you with written confirmation of services via a Food and Beverage Event Plan.

A copy of this form should be signed and returned, along with a 100% advance deposit, 14 days prior to your first scheduled service.

Guaranteed Attendance

Final guarantees are due in writing by 12:00pm (Pacific time) of the assigned day per the following schedule. Guarantees for multi-day events are based on the date of the first scheduled service occurring during the event. Final guarantee cannot exceed the capacity of the event space nor be reduced once the deadline expires. If the final guarantee increases or decreases by more than 25% from the initial estimated attendance, additional charges may apply. Every effort will be made to accommodate guarantee increases after they are submitted, subject to reasonable menu substitutions or additional cost. In the absence of a final guarantee, the initial attendance estimate will be used.

Dietary Considerations

With advance notice, our chefs are able to accommodate most special meal requests. Your Catering Specialist is available to consult with you on special dietary requests and pricing to serve vegetarian, vegan, kosher, halal, and other dietary restrictions. Such special requests are due 14 days in advance of your event. These special meal requests are to be included in your final guaranteed attendance.

Overage

For plated meals, we are prepared to serve up to 5% above the guaranteed attendance (up to 40 meals). A portion of the 5% overage prepared can be vegetarian meals to accommodate on-site requests. Any meals, including vegetarian, served above the guarantee will be invoiced at menu pricing upon consumption. For buffet meals, the number of meals served above the guarantee will be calculated on a plate count or an alternate, mutually agreed upon method. Services provided above the guarantee may be subject to a 10% surcharge.

The Licensee shall pay to the Licensor all other charges specified on the Catering Order(s) or otherwise ordered by the Licensee or its agent(s) and all other charges and sums required to be paid by the Licensee pursuant to the terms of this License Agreement. The administrative charge is not intended to be a tip, gratuity, or
